BUS FEES

If you are interested in bus service and live within a mile and a half of school and are not eligible for free bus service the fee is \$375.00 for each student. Please add \$375.00 to the total on your fee sheet. There is no maximum dollar amount per family. There will not be a fee reduction for students riding only one way or being transported less than 5 days per week.

If you are unsure whether or not you are eligible for free bus service please call Sue Monreal at Lincoln Way Transportation at 815-717-3100.

Transporting paid students is subject to the number of children who need bus service. **If bus service is important to you, please make a commitment by paying the bus fee by June 15th. If the number of passengers is too low, there will be no service.** We hope to know by June 30th if transportation is **NOT** available in your area. Watch your email over the summer for information on how to find bus stops and bus times in August.

If paying the full \$375.00 is a hardship and you would like bus service, please make a commitment by making a partial payment. Payment must be made before school starts in August. Payment arrangements can be made by contacting Cathy Jenkins in the Business Office at 815-478-0191.
