*Mission Statement.....  
The Staff, Administration  
and Board of Education of  
Manhattan District 114  
are committed to  
promoting excellence in  
student achievement  
and student behavior  
enabling children to  
become successful  
life-long learners.*

March 16, 2020

Parents/Guardians:

Manhattan School District 114 is committed to providing our students with meaningful learning opportunities throughout the school closure. The **At-Home Learning Resources** site is available for all students to access (link below). The site contains links to web-based activities and non-technology based ideas that were drafted specifically by the teachers who work directly with our students. At this time, we do not have day-to-day activity completion requirements, however, our staff has curated a wealth of valuable resources to allow students to engage in several activities per day.

### Accessing the Resources

- Use the link to access the site directly - [At-Home Learning Resources](#), or visit the Manhattan School District 114 website and select the link on the home page.
- Select the school that your child attends (across the top of the website) and the appropriate grade level.
- There are also tabs devoted to special education, additional resources (all grade levels), and the Lincoln-Way feeder schools' continuation of learning plans.

For questions regarding specific learning resources, please email your child's teacher. Teachers will be checking their emails daily and will make every attempt to respond to your inquiry within 24 hours on weekdays. For questions regarding the continuation of learning plan, please send an email to [kmorphew@manhattan114.org](mailto:kmorphew@manhattan114.org).

We appreciate your support and understanding during this challenging time. If for some reason we are unable to resume on Monday, April 6th we will work as a district to further develop our At-Home Learning Resources to continue to support our learners and families. Timely communication will be provided in the event of an extended closure.

Sincerely,

**Kristen Morpew**
