Dear Anna McDonald Friends & Families,

I wish for each of you and your circle of family, friends, and loved ones, a great Holiday Season. I hope the next few weeks give you the opportunity to reflect on the many positive things to be thankful for. As I have expressed to the Anna McDonald Staff so many times over the years, the opportunity to work in such a fine school district like Manhattan #114 has truly been a blessing that I will always be grateful for. I am a very lucky man! A sincere "Thank You" to everyone associated with this wonderful school district for all you do on behalf of the children and your contribution to an excellent (and growing!) learning community.

Sincerely,

Mr. Ryan McWilliams
Principal

Yearbooks

Just a reminder that this year a yearbook can only be purchased for your child using the online website TreeRing. If you want to purchase one for your child, click on the link below, enter in the passcode, and purchase a yearbook for your child. The cost of the yearbook is \$12.00. However, if you purchase one by Nov. 30th, you can save 5% off of the cover price. When purchasing a yearbook, please either download the TreeRing app or use your PC to complete the process. We have had parents incorrectly filling out the information and accidentally purchasing yearbooks under their name and not their child's.

The website to order is: <http://www.TreeRing.com/validate>

The passcode is: 1014417497762779

The cost of the yearbook is \$12.00

If you have any questions, please contact the yearbook coordinator for Anna McDonald, Tracy Lamont, at tlamont@manhattan114.org

Change Of Information

It is very important that parents notify the school office at 478-3310 with any changes in home, work, or emergency phone numbers. Valuable time can be saved in emergency situations if information is kept up to date. Thank you!

Resident Only Parking

Please be mindful of resident only parking when attending school functions. Signs are posted so nearby residents can still park by their home when school is hosting a program or room party.

JDRF Walk

On Friday, November 11th we held our first JDRF Fundraising Walk. We raised \$6,400! The classroom for each grade that raised the most earned a pizza party! The winners are Ms. Stanfa's 3rd grade class with \$956.00; Mrs. Frazier's 4th grade class with \$1,100.00 and Mrs. Davern's 5th grade class with \$485.00. Thank you all for your contributions!

Santa's Secret Shop

The Manhattan Band Boosters will once again provide a holiday store for Anna McDonald students. Santa's Secret Shop will be open during school hours on Tuesday, December 6th and Wednesday, December 7th. The store is stocked with a large variety of well-chosen gifts for the whole family, with prices ranging up to \$12.00. Band Booster parents will provide shopping assistance and gift bags. Please watch for our letter and payment envelope. They will be sent home with students. The profits from this fundraiser are used to support the band programs at Anna McDonald and Manhattan Junior High. Thank you in advance for Christmas shopping with us.

Lincoln-Way Transportation

If you have questions or concerns about bus transportation, please contact Lincoln-Way Transportation at 815-717-3102. If you have a daily change (pick up instead of bus), please send a note with your child or call your child's school.

Lost and Found

If you believe your child has left something at school, please check our lost and found bin near the gym and in the cafeteria. Any clothing unclaimed in the lost and found is given to a needy organization during winter break, spring break, and at the end of the school year.

Emergency Closing Information

In addition to local radio, TV, and websites, you can access up-to-date school closing information by calling any of the school phone numbers or the district office at 478-6093 and press extension 5. Mr. Ragon and the principals will record a message informing parents about school closings. If school is going to be closed prior to the start of the day, parents will receive an automated "Connect Ed" call. If you have had a change in contact phone numbers since filling out your child's registration form, it is important that you call school with these changes. These are the numbers that will be used to generate your automated call. HOTLINE-If we have to close school once children are already in school, we will activate our Emergency Hotline. We will call Wilson Creek and Anna McDonald's youngest child in the family's emergency contact information to notify you if we have to close school early. At Manhattan Junior High we will only call those families that request a call.
