Demon P.R.I.D.E.

Being a successful student-athlete does not come as a result of any one particular action, behavior, drill, or exercise. Success is a result of quality character people giving great effort to become better individuals while making the people and places around them better. This means having a strong work ethic in your classroom, in your sports and other extracurricular activities, and in your community.

Everyday, we represent MJHS and the community that supports us. What we do in school, in athletics, and in the community reflects what we value. Sports are just a small piece of the puzzle. It's what is demanded of the student-athlete that makes a difference - showing your Demon P.R.I.D.E.!!!

P - POSITIVE ATTITUDE

Demons are role models and are appreciative of their opportunities.

R - RESPECT

Demons display good manners and compassion and expect that in return.

I - INTEGRITY

Demons do the right thing in life, especially when nobody is looking.

D - DEDICATION

Demons put in the work daily to become better students, athletes, and people.

E - ENTHUSIASM

Demons are excited to be a member of something greater than himself or herself.

MANHATTAN ATHLETIC BOOSTERS

Dear Parents,

The Athletic Boosters recognizes that our athletes need to fuel their body before competitions. We have contacted Jimmy John's and they will be delivering pre-ordered sandwiches on game days. The sandwiches are \$3 and they have a choice of turkey, ham, or roast beef.

Please fill out the form to have a pre-ordered sandwich delivered before a game.

*If there is ever a mistake in the order and your child does not receive a sandwich, please keep track of it because you will be refunded at the end of the season. If your athlete is ever sick, he or she will get the sandwich the next day. There is no refund for absences.
