

WHAT'S IT FOR:

It is one week dedicated entirely to the teachers and staff at Wilson Creek & Anna McDonald who sacrifice so much of themselves for you! Only you as students can see first hand how much your teachers and staff do to enhance your experience at the schools. Be a leader who is thankful and show your gratitude this week.

HOW TO GET INVOLVED:

Showing kindness and gratitude is contagious! Join your friends in making your school a better place by demonstrating how grateful you are for their investment into your life and education.

**Daily ideas are simply suggestions and there is no limit to the amount of days you participate. Students are encouraged to catch the spirit of this week as expressing thankfulness is always a good idea! :)*
